*Building a better future together...*

Dear Parents and Carers,

I am delighted to inform you all that as part of the schools long term renovation programme we will be having a new school playground for the Early years pupils this half term. Work on the new playground is going to start earlier than planned and will commence on Thursday 16<sup>th</sup> March. As a result of this we will only be able to have one gate open on to the school grounds. This will be the gate closest to the sure start centre. We would be grateful if all parents can use this gate when collecting and dropping pupils off in the mornings and afternoons. For health and safety reasons there will be temporary fence set up to prevent access to the Nursery and Reception playground where the work will be going on. Work is expected to take around 2 weeks in total and the new playground will be ready for our Early Years pupils after the Easter break.

I would like to take this opportunity to thank you all for your continued support and hope you all look forward to celebrating our new Early Years playground.

Yours sincerely
