Bug Club Reading

Dear Parents

All pupils at school now have access to lots of new and exciting online books to read through our Bug Club membership. The purpose of the membership is to enable pupils to read books online at home with parents/carers.

Teachers regularly update the books for pupils to read, and this is an exciting resource to use at home with your children. Every child in the school has a logon and password which they need to use to get on to the website.

The website is:

If you have any problems logging on please come to your child's class teacher and they will help you.
