Dear Parents

**We need your help!** our new Nursery and Reception playground is a learning environment for the Early Years pupils. This out door area is part of the children's curriculum and an important resource for pupils in the Early Years.

The very expensive equipment that has been purchased is designed for use of Early Years pupils only. The equipment is not suitable to be used by children in Years 1 and above.

At the end of the school day we have been asking older pupils to refrain from using the equipment as we do not want this important Early Years resource to become damaged. As a result we are asking for your help and support. Please can you ensure that in the morning and at the end of the school day you prevent older children from using the Early Years learning area.

We thank you for your understanding on this matter.

## Reminder

Breakfast Club is now **£1.00** per day, per child.

This can be paid every morning or on a Monday morning for the whole week.

If your child is attending without paying, a text reminder will be sent home.

If no payment is received by the end of the week then your child cannot attend the following week.

## Reminder

We will be shortly sending home a letter regarding the ordering of your child's uniform for the new term in September.

Once we have received all the order forms back, we will arrange a bulk order in June so that all the uniform is back into school before we finish for the summer holidays.

## PE Kits

**Please can you ensure that your child has their PE kit in school every week.**

**We are getting a lot of children who are forgetting their kit on a regular basis.**
