Our Christian Values

Safeguarding and Child Protection Policy

PURPOSE OF THE POLICY

This policy has been developed to ensure that all adults in **St James CE Primary School** are working together to safeguard and promote the welfare of children and young people. This policy has been ratified by the Governing Body at its meeting on **30th January 2017** and will be reviewed in **January 2018**. See appendix C for a summary of a 'good' safeguarding school.

This policy describes the management systems and arrangements in place to create and maintain a safe learning environment for all our children, young people and staff. It identifies actions that should be taken to redress any concerns about child safety and welfare including protecting pupils and staff from extremist views, vocal or active, which are opposed to fundamental British values. All opinions or behaviours which are contrary to these fundamental values and the ethos of the school will be vigorously challenged.

The Designated Lead or, in their absence, the Principal, has the ultimate responsibility for safeguarding and promoting the welfare of children and young people. Safeguarding and promoting the welfare of children and young people goes beyond implementing basic child protection procedures. It is an integral part of all activities and functions of **St James CE Primary School**. This policy complements and supports other relevant school and Local Safeguarding Board policies (Appendix A).

Under the Education Act 2002 schools/settings have a duty to safeguard and promote the welfare of their pupils and, in accordance with guidance set out in 'Working Together to Safeguard Children 2015', **St James CE Primary School** will work in partnership with other organisations where appropriate to identify any concerns about child welfare and take action to address them.

MISSION STATEMENT

St James CE Primary School aims to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously. Our school is committed to the principles outlined in 'Working Together to Safeguard Children 2015' and implements policies, practices and procedures which promote safeguarding and the emotional and physical well being of children, young people and staff.

The school is committed to supporting the delivery of effective early help using The Multi- Agency Levels of Need and Response Framework . The children have access to appropriate curriculum opportunities, including emotional health and well-being, to support the development of the skills needed to help them stay safe and healthy, develop their self-esteem and understand the responsibilities of adult life, particularly in regard to child care and parenting skills. Access to cross-curricular activities will provide opportunities to develop self-esteem and self-motivation and to help pupils respect the rights of other individuals and potentially vulnerable groups. **St James CE Primary School** will exercise diligence and prevent any organisation or speaker from using the schools facilities to disseminate extremist views or radicalise pupils and staff.

All staff at St James CE Primary School are regularly trained in safeguarding procedures and the school has an ethos of sharing concerns. Staff understand that under exceptional circumstances they can report directly to social care. Pupils who have been abused or are at risk of abuse are well supported.

THE CURRICULUM

All children have access to an appropriate curriculum, differentiated to meet their needs. This enables them to learn to develop the necessary skills to build self-esteem, respect others, defend those in need, resolve conflict without resorting to violence, question and challenge and to make informed choices in later life.

Children and young people are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect and empathy for others. There is access to a range of extra curricular activities, information and materials from a diversity of sources which not only promotes these values but supports the social, spiritual, moral well-being and physical and mental health of the pupils.

Personal Health and Social Education, Citizenship and Religious Knowledge lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, forced marriage, family patterns, religious beliefs and practices and human rights issues.

St James CE Primary School takes account of the latest advice and guidance provided to help address specific vulnerabilities and forms of exploitation eg CSE, Radicalisation and Extremism, Forced Marriage. All pupils will know that there are adults in the school whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect.

ATTENDANCE

St James CE Primary School views attendance as a safeguarding issue and in accordance with the school's Attendance Policy, absences are rigorously pursued and recorded. The school/setting, in partnership with the appropriate agencies, takes action to pursue and address all unauthorised absences in order to safeguard the welfare of children and young people in its care. The Attendance Policy identifies how individual cases are managed and how we work proactively with parents/carers to ensure that they understand why attendance is important. In certain cases this may form part of an Early Help Assessment (EHA) or a Parenting Contract.

We implement the statutory requirements in terms of monitoring and reporting children missing education (CME) and off-rolling and understand how important this practice is in safeguarding children and young people. The school will only place young people in alternative educational provision which is a registered provider and has been quality assured. Young people who require access to alternative provision will have a personalised learning plan designed to meet their needs.

The designated person will be informed when a fixed term or permanent exclusion is being discussed and any safeguarding issues will be considered. Where it is felt that a child or young person is likely to be permanently excluded a multi-agency assessment will be instigated to ensure that there is improved understanding of the needs of the young person and their family and that the key agencies are involved.

KEY STATUTORY AND NON-STATUTORY GUIDANCE

The Key Statutory and Non- Statutory Guidance are:

- Keeping Children Safe in Education 2016
- Working Together 2015
- What to do if you think a child is being abused 2015

- Information Sharing 2015-

ROLES AND RESPONSIBILITIES

The Principal of **St James CE Primary School** will ensure that:

- The policies and procedures adopted by the Governing Body to safeguard and promote the welfare of pupils are fully implemented and followed by all staff including volunteers.
- Safe recruitment and selection of staff and volunteers is practiced.
- A Designated Senior Member of staff for child protection is identified and receives appropriate on-going training, support and supervision.
- Sufficient time and resources are made available to enable the designated member of staff to discharge their responsibilities, including attending inter-agency meetings, contributing to the assessment of children and young people, supporting colleagues and delivering training as appropriate.
- All staff and volunteers receive appropriate training which is regularly updated.
- All temporary staff and volunteers are made aware of the school's safeguarding policy and arrangements.
- All staff and volunteers feel safe about raising concerns about poor or unsafe practice in regard to the safeguarding and welfare of the children and young people and such concerns will be addressed sensitively and effectively.
- Parents/carers are aware of and have an understanding of the school's responsibilities to promote the safety and welfare of its pupils by making its obligations clear in the school/setting prospectus.
- Ensure that the Safeguarding and Child Protection policy is available on the school's web-site.
- Ensure that the school co-operates with appropriate agencies and risk based approaches to ensure young people are safeguarded against any potential grooming activities which may attempt to draw them into harmful activities eg CSE and radicalization and extremism.

The Governing Body of the school will ensure that:

- A member of the Governing Body is identified as the designated governor for Safeguarding and receives appropriate training. The identified governor will provide the governing body with appropriate information about safeguarding and will liaise with the designated member of staff.
- A senior member of the school's leadership team is designated to take lead responsibility for safeguarding within the school.
- The school's safeguarding policy is regularly reviewed and updated and the school complies with local safeguarding procedures.
- The school operates safe recruitment and selection practices including appropriate use of references and checks on new staff and volunteers.
- Procedures are in place for dealing with allegations of abuse against members of staff and volunteers and these are in line with Local Authority procedures.
- All staff and volunteers who have regular contact with children and young people receive appropriate training and information about the school's safeguarding processes as part of induction.
- Ensure that the school co-operates with appropriate agencies and risk based approaches to ensure young people are safeguarded against any potential grooming activities which may attempt to draw them into harmful activities eg CSE and radicalization and extremism.

The Designated Senior Member of Staff for Child Protection (Designated Setting Leader) has a specific responsibility for championing the importance of safeguarding and promoting the welfare of children and young people registered in the school. The Designated Person will:

- Act as the first point of contact with regards to all safeguarding matters.
- Attend up-dated training every two years.
- Provide relevant information to the LA on how the school carries out its safeguarding duties.

- Provide support and training for staff and volunteers
- Ensure that the schools actions are in line with the MCSB Safeguarding Inter-Agency Procedures. (Guidance on these procedures may be found on MSCB website at manchesterscb.org.uk)
- Support staff to make effective referrals to the Children and Families Services and any other agencies where there are concerns about the welfare of a child.
- Keep copies of all referrals to Children and Families Services and any other agencies related to safeguarding children.
- Ensure that all staff and volunteers receive information on safeguarding policies and procedures from the point of induction.
- Ensure that any staff with specific responsibility for safeguarding children receive the appropriate training to undertake this role.
- Manage and keep secure the school's safeguarding records.
- Ensure that all staff and volunteers understand and are aware of the school's reporting and recording procedures and are clear about what to do if they have a concern about a child.
- Liaise with the Principal about any safeguarding issues.
- Ensure that the Safeguarding Policy is regularly reviewed and up-dated.
- Keep up to date with changes in local policy and procedures and are aware of any guidance issued by the DfE concerning Safeguarding.
- Send a pupil's child protection or safeguarding file separately from the main file to a new establishment if a pupil leaves the school. Keep a copy of the file.
- During term time, the designated safeguarding lead and or a deputy should always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns. It is a matter for individual schools and colleges and the designated safeguarding lead to arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.
- In addition to their formal training, as set out above, their knowledge and skills should be updated, (for example via e-bulletins, meeting other designated safeguarding leads, or taking time to read and digest safeguarding developments), at regular intervals, but at least annually, to keep up with any developments relevant to their role.

The Chair of Governors:	Maureen Kennedy
Lead Governor for Safeguarding:	John Johnson
DSL:	Lisa Harvey
Deputy DSL:	Rhian Williams

Pupils have the responsibility to ensure that they report any form of Child abuse to a member of staff they trust.

TRAINING

In accordance with "Keeping children safe in education – September 2016" all staff will receive training at induction. All staff should receive appropriate child protection training which includes basic safeguarding information about the school's policies and procedures, signs and symptoms of abuse (emotional and physical), indicators of vulnerability to radicalisation, how to manage a disclosure from a child as well as when and how to record a concern about the welfare of a child.

The Designated Person for Safeguarding and the Deputy will receive refresher training every two years. All staff will receive appropriate child protection training which is regularly updated. All staff will receive training or briefings on particular safeguarding issues, for example, Guns and Gangs, Forced Marriage, Female Genital Mutilation, Domestic Abuse and Child Sexual Exploitation, E-Safety, Preventing Violent Extremism.

In addition all staff members should receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

RECORD KEEPING

All staff, volunteers and visitors have a responsibility to report any concerns about the welfare and safety of a child and all such concerns must be taken seriously (Appendix B). If a concern arises all staff, volunteers and visitors must:

- Speak to the Designated Person or the person who acts in their absence
- Agree with this person what action should be taken, by whom and when it will be reviewed
- Record the concern using the school's safeguarding recording system (Appendix D)

St James CE Primary School will keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment, attendance, referrals to and support from other agencies. The school record will also include a chronology of any other significant event in a child's life.

DOMESTIC ABUSE

The school is aware that children and young people's development, as well as their social and emotional resilience, is affected by many factors including exposure to domestic abuse within the family situation and is a safeguarding issue. Children and young people react to domestic abuse in similar ways to other types of abuse and trauma.

Information about Domestic Abuse and its effect upon children and young people will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection's Policies and Procedures will be used to protect children and young people exposed to, and at risk from, domestic abuse.

Any child or young person thought to be at immediate risk will be reported without delay to the police service as a 999 emergency and the Manchester Children's Service Contact Centre will be contacted as soon as possible.

FORCED MARRIAGE

Forced Marriage became a criminal offence in June 2014. It is a form of child, adult and domestic abuse and, in line with statutory guidance, is treated as such by this school. The school is sensitive to differing family patterns and lifestyles and child-rearing patterns that vary across different racial, ethnic and cultural groups. Child abuse cannot be condoned for religious or cultural reasons.

Information about Forced Marriage will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection Policies will be used to protect a victim or potential victim of forced marriage. If a case of forced marriage is suspected, parents and carers will not be approached or involved about a referral to any other agencies.

FGM

Female Genital Mutilation (FGM) is illegal in the United Kingdom and is a violation of human rights of girls and women. Information on FGM will be incorporated into staff Safeguarding and Child Protection training and briefings.

[The Serious Crime Act 2015](#) strengthened further the legislation on FGM and now includes a new statutory duty placed on professionals (including teachers) to notify the police when they discover that FGM appears to have been carried out on a girl under 18. Further statutory guidance has been issued under Section 5c (1) of the Female Genital Mutilation Act 2003 **“Multi Agency Statutory Guidance on Female Genital Mutilation – April 2016”**

PREVENTING RADICALISATION AND EXTREMISM

Protecting children from the risk of radicalisation is seen as part of St James's wider safeguarding duties. It is acknowledged that it is similar in nature to protecting children from other forms of harm and abuse and the importance of early intervention by our school. We follow the guidance set out in Keeping Children Safe in Education 2016

St James CE Primary School can produce evidence to show fulfilment of the Prevent duty in the 5 duty areas (Leadership and Management, Risk Assessment, Working in Partnership, Staff Training, IT Policies). We also support our children to be resilient against radicalisation.

We have named leads for Prevent on the schools SLT and Governing body. Prevent is part of the safeguarding role of our Designated Safeguarding Lead. We have conducted a risk assessment to ensure that we give 'due regard' to all areas of the duty. We do /do not have a specific policy on Prevent but have ensured that it is embedded into all other appropriate school policies. We have clear procedures in place for protecting children at risk of radicalisation. These procedures are set out in this safeguarding document and other existing policies where relevant.

We work in partnership with others including the Local Authority and MSCB to share concerns and improve practice in this area. We regularly review our IT policies in school to ensure that IT use across the school is safe. Children and young people are supported to know how to stay safe on line and when accessing social media both in and out of school.

Staff training and knowledge on Prevent is regularly reviewed and monitored. Staff in this school are aware that Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. Staff know that there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology but they are alert to the signs and changes of behaviour which may be indicators. Staff are confident to challenge and support young people who may be vulnerable. Staff also know what to do if they have concerns that a young person is being radicalised.

School actively builds students resilience to radicalisation through the curriculum and a whole school ethos which promotes British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.

St James CE primary School seeks to have effective engagement with parents and families in order to work in partnership to protect our children and young people.

E-SAFETY

St James CE Primary School has an E-safety Policy which recognises that E-safety is a safeguarding issue not an ICT issue. The purpose of internet use in school is to help raise educational standards, promote pupil achievement, and support the professional work of staff as well as enhance the school's management information and business administration. The internet is an essential element in 21st century life for education, business and social interaction and St James CE Primary School has a duty to provide children and young people with quality access as part of their learning experience. It

is the duty of St James CE Primary School to ensure that every child and young person is in its care is safe and this applies equally to the 'virtual' or digital world. St James CE Primary School will ensure that appropriate filtering methods are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material. St James CE Primary School has an acceptable use policy (AUP). Where both staff and children have access, it will be necessary for us to have separate AUPs for staff and pupils. The AUP should cover the use of all technologies used. The school follows the MSCB guidelines ' Safeguarding online guidelines for minimum standards'.

WORKING WITH OTHER AGENCIES

St James CE Primary School has developed effective links with other relevant agencies and co-operates as required with any enquiries regarding child protection issues. The school will notify social care if:

- A child subject to a child protection plan is about to be permanently excluded.
- There is an unexplained absence of a pupil who is subject to a child protection of more than two days from school.

It has been agreed as part of any child protection plan or core group plan

INFORMING PARENTS

Our approach to working with parents/carers is one of transparency and honesty and our responsibility is to safeguard and promote the welfare of all the children in our care. We aim to do this in partnership with our parents/carers. In most cases parents and carers will be informed when concerns are raised about the safety and welfare of their child. Parents and carers should be given the opportunity to address any concerns raised. Parents and carers will be informed if a referral is to be made to the Children's Social Care Service or any other agency. Parents/carers will not be informed if it is believed that by doing so would put the child at risk. In such cases the Designated Person or Principal will seek advice from Children's Social Care.

CONFIDENTIALITY

Staff ensure that confidentiality protocols are followed and information is shared appropriately. The Principal or Designated Member of Staff discloses any information about a pupil to other members of staff on a need to know basis only.

All staff and volunteers must understand that they have a professional responsibility to share information with other agencies in order to safeguard children. All staff and volunteers must be clear with children that they cannot promise to keep secrets.

Disclosing someone's sexual orientation or gender identity, whether they are staff or pupils, without their consent is a breach of confidentiality. This includes disclosures to a pupils' parents or careers. Pupils coming out as lesbian, gay, bisexual or trans does not constitute a safeguarding risk and the information should be treated as confidential.

CONFERENCE AND CORE GROUPS

Members of staff are likely to be asked to attend a child protection conference or other relevant core group meetings about an individual pupil and will need to have as much relevant updated

information about the child as possible. A child protection conference will be held if it is considered that the child/children are suffering or at risk of significant harm.

All reports for a child protection conference should be prepared in advance of the meeting and will include information about the child's physical, emotional, intellectual development and well being as well as relevant family related issues. This information will be shared with the parents/carers.

DEALING WITH COMPLAINTS AND ALLEGATIONS AGAINST STAFF

The school follows the government guidance Keeping children safe in education – September 2016 when dealing with allegations made against staff and volunteers. All allegations made against a member of staff and volunteers, including contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.

Any concern or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare. We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint. We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

All concerns should be written on school disclosure paperwork and handed directly to the Principal. The principal will then contact the LADO for support and guidance.

DEALING WITH COMPLAINTS AND ALLEGATIONS AGAINST THE PRINCIPAL

Any complaints or allegations made against the Principal should be reported directly to the Chair of Governors, who will work with the LADO for support and guidance.

DEALING WITH COMPLAINTS AND ALLEGATIONS AGAINST ANOTHER PUPIL

Staff should recognise that children are capable of abusing their peers. Governing bodies should identify procedures to minimise the risk of peer on peer abuse and consider how allegations of peer on peer abuse will be investigated and dealt with. Schools and settings should have clear procedures on how victims of peer on peer abuse will be supported.

SAFER RECRUITMENT PROCEDURES

The school's recruitment and selection policies and processes adhere to the DfE guidance "Keeping Children Safe in Education" September 2016. The Principal and governing body will ensure that all external staff and volunteers using the school site will have been vetted and checked. All members of the SLT, Middle leaders, TA lead and School Business Manager have all had Safer Recruitment training.

DISCLOSURE AND BARRING SERVICE CHECKS (DBS)

All members of staff, students and volunteers go through the enhanced DBS process every 5 years, with a check every 3 years. Every member of staff's DBS information is stored on the single central record which is monitored regularly. All visitors to the school are required to bring their DBS information

with them upon arriving in school. No one is allowed entry to the school without a DBS. If a visitor does not have a DBS they are accompanied by a member of staff at all times.

VISITORS AND BOOKINGS

All visitors, including visiting speakers, are subject to the school's safeguarding protocols while on site and will be supervised at all times. St James CE Primary School operates a responsible booking protocol and will carry out appropriate checks and will exercise due diligence to prevent an organisation or speaker

WHISTLE-BLOWING

See the Whistle-blowing policy.

PRACTICAL ADVICE

Categories of Abuse:

- **Physical Abuse**
- **Emotional Abuse (including Domestic Abuse)**
- **Sexual Abuse**
- **Neglect**

Signs of Abuse in Children

The following non-specific signs may indicate something is wrong:

- Significant change in behaviour
- Extreme anger or sadness
- Aggressive and attention-seeking behaviour
- Suspicious bruises with unsatisfactory explanations
- Lack of self-esteem
- Self-injury
- Depression
- Age inappropriate sexual behaviour
- Child Sexual Exploitation.

Risk Indicators

The factors described in this section are frequently found in cases of child abuse. Their presence is not proof that abuse has occurred, but:

- Must be regarded as indicators of the possibility of significant harm
- Justifies the need for careful assessment and discussion with designated / named / lead person, manager, (or in the absence of all those individuals, an experienced colleague)
- May require consultation with and / or referral to Children's Services

The absence of such indicators does not mean that abuse or neglect has not occurred.

In an abusive relationship the child may:

- Appear frightened of the parent/s
- Act in a way that is inappropriate to her/his age and development (though full account needs to be taken of different patterns of development and different ethnic groups)

The parent or carer may:

- Persistently avoid child health promotion services and treatment of the child's episodic illnesses

- Have unrealistic expectations of the child
- Frequently complain about/to the child and may fail to provide attention or praise (high criticism/low warmth environment)
- Be absent or misusing substances
- Persistently refuse to allow access on home visits
- Be involved in domestic abuse

Staff should be aware of the potential risk to children when individuals, previously known or suspected to have abused children, move into the household.

Recognising Physical Abuse

The following are often regarded as indicators of concern:

- An explanation which is inconsistent with an injury
- Several different explanations provided for an injury
- Unexplained delay in seeking treatment
- The parents/carers are uninterested or undisturbed by an accident or injury
- Parents are absent without good reason when their child is presented for treatment
- Repeated presentation of minor injuries (which may represent a “cry for help” and if ignored could lead to a more serious injury)
- Family use of different doctors and A&E departments
- Reluctance to give information or mention previous injuries

BRUISING

Children can have accidental bruising, but the following must be considered as non accidental unless there is evidence or an adequate explanation provided:

- Any bruising to a pre-crawling or pre-walking baby
- Bruising in or around the mouth, particularly in small babies which may indicate force feeding
- Two simultaneous bruised eyes, without bruising to the forehead, (rarely accidental, though a single bruised eye can be accidental or abusive)
- Repeated or multiple bruising on the head or on sites unlikely to be injured accidentally
- Variation in colour possibly indicating injuries caused at different times
- The outline of an object used e.g. belt marks, hand prints or a hair brush
- Bruising or tears around, or behind, the earlobe/s indicating injury by pulling or twisting
- Bruising around the face
- Grasp marks on small children
- Bruising on the arms, buttocks and thighs may be an indicator of sexual abuse

BITE MARKS

Bite marks can leave clear impressions of the teeth. Human bite marks are oval or crescent shaped. Those over 3 cm in diameter are more likely to have been caused by an adult or older child. A medical opinion should be sought where there is any doubt over the origin of the bite.

BURNS AND SCALDS

It can be difficult to distinguish between accidental and non-accidental burns and scalds, and will always require experienced medical opinion. Any burn with a clear outline may be suspicious e.g.:

- Circular burns from cigarettes (but may be friction burns if along the bony protuberance of the spine)
- Linear burns from hot metal rods or electrical fire elements
- Burns of uniform depth over a large area
- Scalds that have a line indicating immersion or poured liquid (a child getting into hot water is his/her own accord will struggle to get out and cause splash marks)

- Old scars indicating previous burns/scalds which did not have appropriate treatment or adequate explanation

Scalds to the buttocks of a small child, particularly in the absence of burns to the feet, are indicative of dipping into a hot liquid or bath.

FRACTURES

Fractures may cause pain, swelling and discolouration over a bone or joint.

Non-mobile children rarely sustain fractures.

There are grounds for concern if:

- The history provided is vague, non-existent or inconsistent with the fracture type
- There are associated old fractures
- Medical attention is sought after a period of delay when the fracture has caused symptoms such as swelling, pain or loss of movement
- There is an unexplained fracture in the first year of life

SCARS

A large number of scars or scars of different sizes or ages, or on different parts of the body, may suggest abuse.

RECOGNISING EMOTIONAL ABUSE

Emotional abuse may be difficult to recognise, as the signs are usually behavioural rather than physical. The manifestations of emotional abuse might also indicate the presence of other kinds of abuse.

The indicators of emotional abuse are often also associated with other forms of abuse.

The following may be indicators of emotional abuse:

- Developmental delay
- Abnormal attachment between a child and parent/carer e.g. anxious, indiscriminate or not attachment
- Indiscriminate attachment or failure to attach
- Aggressive behaviour towards others
- Scape-goated within the family
- Frozen watchfulness, particularly in pre-school children
- Low self esteem and lack of confidence
- Withdrawn or seen as a "loner" – difficulty relating to others
- Over-reaction to mistakes
- Fear of new situations
- Inappropriate emotional responses to painful situations
- Neurotic behaviour
- Self harm
- Fear of parents being contacted
- Extremes of passivity or aggression
- Drug/solvent abuse
- Chronic running away
- Compulsive stealing
- Low self esteem
- Air of detachment
- Social isolation
- Depression/ withdrawal
- Behavioural problems poor peer relationships

RECOGNISING SIGNS OF SEXUAL ABUSE

Boys and girls of all ages may be sexually abused and are frequently scared to say anything due to guilt and/or fear. This is particularly difficult for a child to talk about and full account should be taken of the cultural sensitivities of any individual child/family.

Recognition can be difficult, unless the child discloses and is believed. There may be no physical signs and indications are likely to be emotional/behavioural.

Some behavioural indicators associated with this form of abuse are:

- Inappropriate sexualised conduct
- Sexually explicit behaviour, play or conversation, inappropriate to the child's age
- Continual and inappropriate or excessive masturbation
- Self-harm (including eating disorder), self mutilation and suicide attempts
- Involvement in prostitution or indiscriminate choice of sexual partners
- An anxious unwillingness to remove clothes e.g. for sports events (but this may be related to cultural norms or physical difficulties)

Some physical indicators associated with this form of abuse are:

- Pain or itching of genital area
- Blood on underclothes
- Pregnancy in a younger girl where the identity of the father is not disclosed
- Physical symptoms such as injuries to the genital or anal area, bruising to buttocks, abdomen and thighs, sexually transmitted disease, presence of semen on vagina, anus, external genitalia or clothing
- Urinary infections
- Sexually transmitted infections
- Vaginal sores or bleeding

SEXUAL ABUSE BY YOUNG PEOPLE

The boundary between what is abusive and what is part of normal childhood or youthful experimentation can be blurred. The determination of whether behaviour is developmental, inappropriate or abusive will hinge around the related concepts of true consent, power imbalance and exploitation. This may include children and young people who exhibit a range of sexually problematic behaviour such as indecent exposure, obscene telephone calls, fetishism, bestiality and sexual abuse against adults, peers or children.

Developmental Sexual Activity encompasses those actions that are to be expected from children and young people as they move from infancy through to an adult understanding of their physical, emotional and behavioural relationships with each other. Such sexual activity is essentially information gathering and experience testing. It is characterised by mutuality and of the seeking of consent.

Inappropriate Sexual Behaviour can be inappropriate socially, inappropriate to development, or both. In considering whether behaviour fits into this category, it is important to consider what negative effects it has on any of the parties involved and what concerns it raises about a child or young person. It should be recognised that some actions may be motivated by information seeking, but still cause significant upset, confusion, worry, physical damage, etc. It may also be that the behaviour is "acting out" which may derive from other sexual situations to which the child or young person has been exposed.

If an act appears to have been inappropriate, there may still be a need for some form of behaviour management or intervention. For some children, educative inputs may be enough to address the behaviour.

Abusive sexual activity included any behaviour involving coercion, threats, aggression together with secrecy, or where one participant relies on an unequal power base.

ASSESSMENT

In order to more fully determine the nature of the incident the following factors should be given consideration. The presence of exploitation in terms of:

- **Equality** – consider differentials of physical, cognitive and emotional development, power and control and authority, passive and assertive tendencies
- **Consent** – agreement including all the following:
 - Understanding that is proposed based on age, maturity, development level, functioning and experience
 - Knowledge of society's standards for what is being proposed
 - Awareness of potential consequences and alternatives
 - Assumption that agreements or disagreements will be respected equally
 - Voluntary decision
 - Mental competence
- **Coercion** – the young perpetrator who abuses may use techniques like bribing, manipulation and emotional threats of secondary gains and losses that is loss of love, friendship, etc. Some may use physical force, brutality or the threat of these regardless of victim resistance.

In evaluating sexual behaviour of children and young people, the above information should be used only as a guide.

RECOGNISING NEGLECT

Evidence of neglect is built up over a period of time and can cover different aspects of parenting. Indicators include:

- Failure by parents or carers to meet the basic essential needs e.g. adequate food, clothes, warmth, hygiene and medical care
- A child seen to be listless, apathetic and unresponsive with no apparent medical cause
- Failure of child to grow within normal expected pattern, with accompanying weight loss
- Child thrives away from home environment
- Child frequently absent from school
- Child left with adults who are intoxicated or violent
- Child abandoned or left alone for excessive periods

CHILD SEXUAL EXPLOITATION

The following list of indicators is not exhaustive or definitive but it does highlight common signs which can assist professionals in identifying children or young people who may be victims of sexual exploitation.

Signs include:

- underage sexual activity
- inappropriate sexual or sexualised behaviour
- sexually risky behaviour, 'swapping' sex
- repeat sexually transmitted infections
- in girls, repeat pregnancy, abortions, miscarriage

- receiving unexplained gifts or gifts from unknown sources
- having multiple mobile phones and worrying about losing contact via mobile
- having unaffordable new things (clothes, mobile) or expensive habits (alcohol, drugs)
- changes in the way they dress
- going to hotels or other unusual locations to meet friends
- seen at known places of concern
- moving around the country, appearing in new towns or cities, not knowing where they are
- getting in/out of different cars driven by unknown adults
- having older boyfriends or girlfriends
- contact with known perpetrators
- involved in abusive relationships, intimidated and fearful of certain people or situations
- hanging out with groups of older people, or anti-social groups, or with other vulnerable peers
- associating with other young people involved in sexual exploitation
- recruiting other young people to exploitative situations
- truancy, exclusion, disengagement with school, opting out of education altogether
- unexplained changes in behaviour or personality (chaotic, aggressive, sexual)
- mood swings, volatile behaviour, emotional distress
- self-harming, suicidal thoughts, suicide attempts, overdosing, eating disorders
- drug or alcohol misuse
- getting involved in crime
- police involvement, police records
- involved in gangs, gang fights, gang membership
- injuries from physical assault, physical restraint, sexual assault.

FORCED MARRIAGE

This is an entirely separate issue from arranged marriage. It is a human rights abuse and falls within the Crown Prosecution Service definition of domestic violence. Young men and women can be at risk in affected ethnic groups. Whistle-blowing may come from younger siblings. Other indicators may be detected by changes in adolescent behaviours. Never attempt to intervene directly as a school or through a third party.

FGM

It is essential that staff are aware of FGM practices and the need to look for signs, symptoms and other indicators of FGM.

What is FGM?

It involves procedures that intentionally alter/injure the female genital organs for non-medical reasons.

4 types of procedure:

Type 1 Clitoridectomy – partial/total removal of clitoris

Type 2 Excision – partial/total removal of clitoris and labia minora

Type 3 Infibulation entrance to vagina is narrowed by repositioning the inner/outer labia

Type 4 all other procedures that may include: pricking, piercing, incising, cauterising and scraping the genital area.

Why is it carried out?

Belief that:

- FGM brings status/respect to the girl – social acceptance for marriage
- Preserves a girl's virginity
- Part of being a woman / rite of passage
- Upholds family honour
- Cleanses and purifies the girl
- Gives a sense of belonging to the community

- Fulfils a religious requirement
- Perpetuates a custom/tradition
- Helps girls be clean / hygienic
- Is cosmetically desirable
- Mistakenly believed to make childbirth easier

Is FGM legal?

FGM is internationally recognised as a violation of human rights of girls and women. It is **illegal** in most countries including the UK.

Circumstances and occurrences that may point to FGM happening

- Child talking about getting ready for a special ceremony
- Family taking a long trip abroad
- Child's family being from one of the 'at risk' communities for FGM (Kenya, Somalia, Sudan, Sierra Leon, Egypt, Nigeria, Eritrea as well as non-African communities including Yemeni, Afghani, Kurdistan, Indonesia and Pakistan)
- Knowledge that the child's sibling has undergone FGM
- Child talks about going abroad to be 'cut' or to prepare for marriage

Signs that may indicate a child has undergone FGM:

- Prolonged absence from school and other activities
- Behaviour change on return from a holiday abroad, such as being withdrawn and appearing subdued
- Bladder or menstrual problems
- Finding it difficult to sit still and looking uncomfortable
- Complaining about pain between the legs
- Mentioning something somebody did to them that they are not allowed to talk about
- Secretive behaviour, including isolating themselves from the group
- Reluctance to take part in physical activity
- Repeated urinal tract infection
- Disclosure

The 'One Chance' rule

As with Forced Marriage there is the 'One Chance' rule. It is essential that settings /schools/colleges take action **without delay**.

SCHOOL POLICIES:

- Health and Safety
- Physical Interventions/Restraint
- Work Experience and Extended work placements
- Sex and Relationships Education
- Equal Opportunities
- E-Safety
- Extended Schools Activities
- Behaviour Management including fixed and short term exclusions
- Trips and Visit
- Special Educational Needs
- Toileting and Intimate Care
- Disability Discrimination
- Looked After Children
- Anti-bullying
- Administration of Medicines
- Letting to external organisations
- External visitors/speakers

THE FOLLOWING DEFINITIONS ARE FROM WORKING TOGETHER TO SAFEGUARD CHILDREN (2015)

Significant Harm

The threshold that justifies compulsory intervention in family life and gives Local Authorities a duty to make enquiries to decide whether they should take action to safeguard or promote the welfare of a child who is suffering or likely to suffer significant harm.

Physical Abuse

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces an illness in a child.

Emotional Abuse

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual Abuse

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening.

The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non-penetrative acts. The activities may include non-contact activities, such as involving children in looking at, or in the production of, sexual online images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

Neglect

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

Neglect may occur during pregnancy as a result of maternal substance abuse for example.

Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food and clothing, shelter (including exclusion from home or abandonment).
- Protect a child from physical and emotional harm or danger.
- Ensure adequate supervision (including the use of inadequate caretakers).
- Ensure access to appropriate medical care or treatment.
- It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

A 'GOOD' SAFEGUARDING SCHOOL

The leadership, staff and governing body are committed to a safe school which promotes the well-being and welfare of all its pupils, staff and visitors and the following is embedded into its vision, culture and practices:

ETHOS AND ENVIRONMENT

- The school is a place where 'Every Child Matters'.
- The environment is welcoming and pleasant and pupils, staff and visitors are greeted appropriately.
- The school/setting has pleasant and welcoming dining areas and encourages healthy eating.
- Achievements and progress are regularly celebrated and pupils have high expectations of themselves and others and understand that long-term goals are worth working for.
- Pupils feel valued and are open and confident in their relationships with staff and one another.
- Pupil's work is displayed and changed regularly.

PRACTICES AND PROCEDURES

- The school has a 'Safeguarding Policy' which all staff understand and practices are fully implemented.
- Behaviour Management and Anti-bullying Policies are in place and are clearly understood and followed by all.
- The Multi Agency Levels of Need and Response Framework is embedded.
- Effective School Improvement Plan and effective school self-evaluation procedures are in place.
- Appropriate Policies and Procedures are in place, understood and implemented by all staff.
- The school/setting takes account of the DDA and has made appropriate adjustments for staff and pupils.
- All staff involved in safeguarding liaise regularly to ensure continuity in the support they provide.
- The school/setting has an identified person who administers medicines.
- DBS checks are in place and regularly up-dated.
- Appropriate Risk Assessment procedures are in place and up-dated.

PUPIL TRACKING

- The progress and attendance of pupils in alternative provision is carefully tracked and monitored as for other pupils.
- Pupil tracking systems are in place and used effectively to monitor and track progress and intervene as required.
- Vulnerable groups are identified and tracked for progress, attainments and attendance.
- Effective transition for pupils takes place at all stages.

STAFF TRAINING

- The Leadership and Management of the school is trained in Safeguarding and is effective.
- A Senior Designated Person for Safeguarding is nominated and receives regular training and has access to appropriate supervision.

- Staff receive regular up-dated training on Safeguarding and identified staff receive higher level training as appropriate.

PUPIL ENGAGEMENT

- Pupil voice is valued and the School Council is afforded respect and is involved appropriately in decision making.
- Pupils are given responsibility in supporting other pupils and are involved in routine organisational tasks and activities.
- Pupils are encouraged to participate in a variety of clubs and activities.

THE CURRICULUM

- The curriculum, organisation of teaching and learning and ethos in settings and schools contributes to teaching children and young people about safety issues, including road safety, accident prevention, substance misuse, sexual harassment, self-harm, Internet safety and building resilience.
- Staff expectations of pupil's behaviour, attendance and attainment are high.
- School has developed approaches to tackling all forms of bullying including, racist, homophobic and cyber-bullying. This includes tackling issues leading to grooming and child sexual exploitation and radicalisation
- There are formal and informal opportunities to praise reward and celebrate pupils behaviour and achievements in lessons, tutor groups, assemblies, dinner time, break time, before and after school, trips etc.

WORKING WITH PARENTS/CARERS AND OUTSIDE AGENCIES

- There is effective communication between the school staff, outside agencies and parents/carers.
- Family intervention work is an integral part of the school's support for children and families.
- The school actively pursues all absence – they know which children are at risk of becoming/or are persistently absent – non-attendance is understood as a potential safeguarding issue.
- The school does not exclude pupils but tries to find alternative ways of supporting them.
- The school does not see pupils at risk of gang involvement, sexual exploitation, radicalisation or criminal activity as crime and disorder issues but as a 'children in need issue' and works closely with other partner agencies to safeguard them.

INDICATORS OF VULNERABILITY TO RADICALISATION

- Pupil is distanced from their cultural/religious heritage and experience.
- Pupil demonstrates discomfort about their place in society.
- Pupil may be experiencing family tensions at home.
- Low self esteem and sense of isolation.
- Pupil has distanced self from existing friendship groups and become involved with a different group of friends.
- Pupil may be searching for questions about their identity, faith and belonging.
- Pupil may have perceptions of injustice and rejects civic life.
- Pupil is accessing extremist websites and is in contact with extremist recruiters.
- Pupil justifies violence to solve societal issues.
- Significant changes in behaviour and/or appearance.
- Pupil uses extremist narratives and global ideology to explain personal disadvantage.
