

## Important School Dinner Information

### REMINDER

Our prices for school dinners have increased slightly from £2.30 a day to £2.40 a day (£12.00 a week).

As you are aware, over the years we have continued to keep the prices the same for dinners even though Manchester Fayre have increased theirs. Unfortunately with the latest increase we have no option but to match the new costings which means we can no longer keep our dinners priced at £2.30.

## Reminder

Can we please remind parents/carers to send packed lunches, PE kits, water bottles etc. into school every morning with their child. We are getting high numbers of these items being left at the office everyday. We do not want any of the items being left on a daily basis to be overlooked by the office staff, as they are currently extremely busy with the opening of the new school building. We would like to thank you for your understanding on this matter.

## Home Time Arrangements

In the interests of safety can we please remind parents that if someone is collecting your children from school on your behalf and they are not on the home time collection list, staff are not permitted to let your child go home with them even if we know them. This is to ensure your child is safe at all times. If someone else is collecting your child and is not on the list, then please contact the school office BEFORE 2PM. Any phone calls we get after 2pm may not be passed on to the relevant member of staff in time.
