

## Important School Dinner Information

As from September 2018 our prices for school dinners will increase slightly from £2.30 a day to £2.40 a day (£12.00 a week).

As you are aware, over the years we have continued to keep the prices the same for dinners even though Manchester Fayre have increased theirs. Unfortunately now with the latest increase we have no option but to match the new costings which means we can no longer keep the same price.

We would like to thank you for your understanding on this matter.

## Reminder

Can we please remind parents/carers to send packed lunches, PE kits, water bottles etc. into school every morning with their child. We are getting high numbers of these items being left at the office everyday.

We do not want any of the items being left on a daily basis to be overlooked by the office staff, as they are currently extremely busy with the planning and preparation for the opening of the new school building. We would like to thank you for your understanding on this matter.

## Home Time Arrangements

In the interests of safety can we please remind parents that if someone is collecting your children from school on your behalf and they are not on the home time collection list, staff will not let your child go home with them even if we know them. This is to ensure your child is safe at all times. If someone else is to collect your child and is not on the list, then please contact the school office during the day and we can pass the message on to the class teacher ready for home time. We thank you for your support and understanding on this matter

## Last Day Of Term

Children finish for the end of term on **Friday 20th July**, due to the staff having to prepare for the opening of the new building children will finish school earlier than usual at **1:30pm** on this day.

Unfortunately, we will not have our After School Care service (Quarter to six club) with Miss Weir running on this day so any parents/carers who have children who access this will need to make alternative arrangements. We would like to apologise in advance for any inconvenience caused.

## PE Kits

We have recently given every child in our school a brand new PE kit and bag. However, we are still getting pupils coming into school with no kit. Children must have their correct PE kit in school at all times. We suggest that every child brings their kit in on a Monday morning ready for the week and then it can be taken home on a Friday to be washed ready for the following week.
