

## Home Time

The safety of our children is of the utmost importance and as we become familiar with many new children and families it may take a little longer to release your children at home time. We ask that you be patient with us during this time to ensure that our school home time practices and procedures are followed correctly.

## Reminder

Can we remind parents/carers that school is a non smoking environment.

**Smoking is not permitted on the school grounds.**

## Labels

Can we ask that all items of uniform including outdoor coats are labelled clearly inside with your child's name.

We are currently getting lots of uniform going missing or being taken home by other children (especially if children have the same coat). Please remember to check your child's uniform and return any uniform that is not theirs.

## Harvest Festival
