Important Dinner Information

As from September 2018 our prices for school dinners will increase slightly from £2.30 a day to £2.40 a day (£12.00 a week).

As you are aware, over the years we have continued to keep the prices the same for dinners even though Manchester Fayre have increased theirs. Unfortunately now with the latest increase we have no option but to match the new costings which means we can no longer keep the same price.

We would like to thank you for your understanding on this matter.

Parent Zone

Parent Zone is a great website to help parents/carers with any online safety and digital information.

Please follow the link below to access the website. Online safety for children is so important, and we hope this website can help.

<https://parentzone.org.uk/>

World Book Day

It is World Book Day on **Thursday 1st March 2018.** Children can come into school dressed as their favourite character from a book. Please remember to have a look at the official World Book day website for costume ideas that do not cost anything.

Attendance

When children arrive late not only do they get a late mark or an unauthorised absence, but they lose valuable learning time. Over time this can have an effect on their academic progress.

If you have any concerns regarding attendance and punctuality, please make an appointment to speak to Mrs Harvey.

Payments

Can we remind parents/carers that we **no longer** give out change so any money that is being paid for snacks, dinners, milk etc, must have the correct amount in the envelope. Any monies that are over will be carried forward for the following week.
