Mobiles

Can we please remind parents/carers to keep their mobile phones switched on at all times during the day. We have recently tried to contact a number of parents for different reasons and their mobile phone has been switched off.

It is imperative that we are able to contact you during school hours in case of an emergency, and as we appreciate that you cannot always answer your phone immediately, we always have the option to leave a voicemail or send a text for you to get back to us asap.

Please Support the Poppy Appeal

We are selling Poppies and Poppy accessories at the main office. If you would like a Poppy, we are asking for a donation of silver.

All wristbands, bracelets and reflectors are individually priced.

Thank you for your support

Data Collection Information

We would like to thank all the parents/carers who took the time to fill in and check their child's Data Collection sheet we sent home. This enables us to update/amend any of your child's details that may be incorrect on our school system

Winter/Spring Menu

We have now introduced our new 'Winter/Spring'

menu at lunchtime. There is a selection of hot meals and desserts for the children. There will also be Jacket potatoes and pasta available on certain days with a variety of fillings for children. Our salad bar will be open daily with homemade bread selections. There are copies of the new menu in the school display boards. If you would like a copy of the new menu please come and see Miss Ryder in the office.

Outdoor Clothing

With the cold weather fast approaching, can we please remind parents/carers to send their children into school with an appropriate warm outdoor coat along with hats, gloves and scarf, as the children still play outside during break and lunch times.

We are on a mission to help to help as many families as possible.

Can you help families from Manchester and Salford who are struggling to make ends meet?

St James needs your help with donations of food which will be taken to our school charity 'Wood Street Mission', where they will be distributed to local families in the run up to Christmas.

Donations most in need:

Soup

Rice

Pasta

Pasta Sauce

Tinned Vegetables

Tinned Fish

Tinned Meat

Tinned Fruit

Cereal

Biscuits

Puddings

Longlife Milk

Longlife Juice

Please ensure all products have a Best Before date of at least January 2018

*Please help us make a difference to
the lives of local people*
