## Important Information for Reception, y1,2, 3 and 4 class:

All parents/carers should have received their letter regarding their child's nasal flu vaccination and returned the attached form indicating if you would like your child to have the vaccination or not. The lead nurse along with her health team will be in school on

**Wednesday 29<sup>th</sup> November 2017**

to give the nasal vaccinations.

If you have any concerns or questions, the team will be available to speak to on the day.

## Outdoor Clothing

With the cold weather fast approaching can we please remind parents/carers to send their children into school with appropriate warm outdoor coat along with hats, gloves and scarf, as the children still play outside during break and lunch times.

## Packed Lunches

Can we remind all parents/carers that if your child is on packed lunches, they are not permitted to bring sweets of any kind in their lunch bag.

We like to promote a healthy school with healthy values and sweets are not a part of a healthy diet. If any child is found bringing sweets into school at lunchtime, they will have them confiscated until home time and given back to their adult.

## Milk and Snacks

Letters will be sent home over the next two weeks in preparation for children's milk and snacks ready for the new half term in January 2018. If your child wishes to have milk and snacks, all slips and money must be returned to Miss Ryder in the office.

We are on a mission to help to help as many families as possible.

Can you help families from Manchester and Salford who are struggling to make ends meet?

St James needs your help with donations of food which will be taken to our school charity 'Wood Street Mission', where they will be distributed to local families in the run up to Christmas.

*Donations most in need:*

*Soup*

*Rice*

*Pasta*

*Pasta Sauce*

*Tinned Vegetables*

*Tinned Fish*

*Tinned Meat*

*Tinned Fruit*
